

**The Bradley Beach Chamber of Commerce and long time Bradley Beach resident, Marilyn Rosen, in cooperation with the Borough of Bradley Beach, are helping make the access to our beaches user-friendly for all visitors, but especially for people in wheel chairs, children in strollers, and others who may have difficulty walking on the hot sand. To that end, the Chamber and Mrs. Rosen are selling decorative 4" by 26" custom signs (shown above). The proceeds from the sale of these signs will be presented to the Mayor and Council of Bradley Beach to be used to purchase beach walkways, which will extend from the boardwalk, making the beaches accessible to everyone. In the future, it is hoped that more beach walkways will be installed to help beach goers navigate the walk from the boardwalk to the ocean.**

**To order the Bradley Beach signs, please fill in this form and send your check, made payable to the Bradley Beach Chamber of Commerce, 501 Main Street, Bradley Beach, NJ 07720. The price for each sign is \$26.00 and includes New Jersey state tax and all shipping costs. There will be no other charges. You will be notified when the signs come in. Be sure to check the Chamber's website ([www.bradleybeachnj.org](http://www.bradleybeachnj.org)) for details.**

**Thank you for your support to help everyone enjoy our beautiful beaches.**
